### LEARN TO BURN (WITHOUT GETTING BURNED): INTEGRATED LIVE FIRE & NFPA 1403 INSTRUCTOR COURSE Monday - Friday (2/16-2/20) (40 Hour) Course:

This hands-on program combines the Live Fire Instructor Certification requirements with NFPA 1403 acquired structure preparation and compliance training. Participants will gain the knowledge, skills, and confidence to plan, prepare, and deliver safe, effective live fire training evolutions in both fixed and acquired structures.

### NATIONAL FIRE ACADEMY COURSES

Saturday & Sunday (2/21-22) (16 Hour) Courses:

#### Incident Safety Officer (ISO)

Develop the skills to evaluate, manage, and mitigate hazards at emergency incidents. This course prepares officers to serve as the safety advocate for their crews and ensures compliance with risk management principles on the fireground.

#### Preparation for Initial Company Operations (PICO)

Designed for company officers and aspiring leaders, this course focuses on effective decision-making, crew coordination, and tactical readiness during the first crucial minutes of an incident.
